

COVID-19 Policies

- All children and volunteers will have their temperature checked upon arrival each day.
- Rotations have been arranged to optimize social distancing.
- Class sizes have split in half.
- Each class will be required to use hand sanitizer at every rotation.
- The church will be deep cleaned every day after VBS.
- Mesa Christian Fellowship will continue to monitor current executive orders so that we can be sure to adhere to whatever laws are in place during the week of VBS.

Note:

During our VBS we will not be requiring or providing masks. We feel that seeing one another's faces is an important aspect of our children's ministry here at Mesa Christian Fellowship. Kids need to see the teacher's expressions as they tell Bible stories, they need to see the joy on the face of those leading worship, and they need to see the smiles on one another's faces. If individual teachers and volunteers would like to wear a mask, we will leave that decision up to them. Additionally, if you bring your child to VBS with a mask on, we will make sure the mask remains on throughout the day. But please do not bring your child to VBS with the expectation that everyone will be wearing a mask, because many will not.
